Product description

Clean effectively and gently. The Bizerba roller cleaner gives you both. Thanks to this highly-effective formulation, you save time and cleaning agents. Regularly used you increase the performance quality and the service life of your printer. Labels or receipts are easily legible in terms of both text and barcode. You give your customers maximum product transparency and thus avoid complaints. An additional effect: The service life of your printer is increased and the maintenance intervals are reduced. Clean your pressure rollers without concern. The Bizerba product is certified with the NSF Hygiene Standard C1 Nonfood Compounds.
